

Moving from Good to Great!

July 22, 2024

Welcome Class of 2028 to REACH! Partnership High School.

The REACH! Partnership family is honored and privileged to welcome you to our wonderful school community. We are in year six of our 21st Century School where each classroom is equipped with state-of-the-art technology that enhances our delivery of instruction to maximize teaching and learning. REACH! Partnership High School is a community school operated by Civic Works.

Here at REACH! Partnership your ninth grade team of educators and administrators consider ourselves the gateway into a new and exciting time in your lives – the beginning of your high school experience. We know all too well the feelings of anxiety that often accompany the transition from middle to high school, which is why our 9th Grade Academy is designed to provide strategic support to help students successfully navigate their high school experience. Our goal is to create an atmosphere that fosters smooth transitions, positive informal encounters and social interactions along with readily accessible information for learning how to function effectively in high school.

The purpose for this correspondence is to invite you and your parent/guardian to our **Freshman Orientation/Meet & Greet scheduled for August 12, 2024 from 10 am - 3 pm.** In addition to our Meet & Greet, students are invited to attend informative interactive **CTE sessions August 13-15 from 9 am-1 pm.** Please refer to the schedule included in this letter for information regarding days and times the CTE tracks will be holding sessions. Students attending sessions on August 13-15 will be provided with breakfast (8:45 am- 9:00 am) and lunch. Our in-person session will provide an overview of REACH! Partnership and all of the wonderful learning opportunities we provide as a school community. During the Meet and Greet families and scholars will participate in a whole group presentation where you will receive important information to ensure you are prepared for the 1st day, learn about our CTE offerings, do a tour of the building, and participate in various fun interactive activities. Our agenda for our Freshman Orientation Meet & Greet will include: administration and staff introductions, a school overview, our school schedule, student expectations, school and community resources, and key contact information. Please make sure your scholar is prepared for his/her/their ID photograph to be taken.

Uniforms: We are a uniform school. All students must wear a uniform. **No Exceptions!**

Grade 9: Kelly Green polo or Kelly Green sweatshirt with REACH! Logo and khaki colored knee-length shorts, knee-length skirts, or pants.

Immunization

All 9th grade students must have updated immunization records in order to attend school

Much of the information you will learn and need to know about REACH! Partnership can be found on our website and our social media accounts at the addresses below:
