**PRINCIPAL  
DR. JAMES GRESHAM**

A 3D-rendered classroom scene. In the foreground, there are several rows of grey desks with blue chairs. A yellow carpeted aisle runs down the center. At the front of the room, there is a large whiteboard with a green border. Above the whiteboard, three round analog clocks are mounted on the wall. To the left of the whiteboard, a globe is on a stand. The walls are light blue and yellow, with vertical window-like panels on the sides. The lighting is bright and even.

## ***Our Mission***

REACH! Partnership School's mission is to graduate all young men and women who enter REACH! to not only be prepared and motivated to pursue post-secondary education without remediation but who also have the entry level skills to prepare for a rewarding career in the fields of health care, construction, homeland security, and the U.S. military.

## ***Vision***

Every student will graduate ready to achieve excellence in higher education and the global workforce.
